ABOUT US

If you are wondering “where can I find regenerative medicine near me?”, then turn to QC Kinetix. At QC Kinetix Hilton Head, we are proud to say that we have helped people just like you every day. Using non-surgical treatments, we go beyond simply masking symptoms with medications or fixing problems with invasive surgeries. We get our patients back to their daily activities quickly and safely by treating the root cause of their problem. What makes our treatments different? They're all non-surgical! Through our regenerative pain treatments, we are able to get to the root of your condition so that your body can heal naturally. Is joint pain keeping you from doing the things you love - yard work, traveling, bike rides with your family, or a day on the golf course? Stop suffering. Our doctors are highly trained and offer a variety of treatments so that you get all of the care you need.
